

OPEN CALL FOR MULTIMEDIA ART INSTALLATIONS

19/02/2020 – 01/05/2020

CODE WAR presents the open call for multimedia art installations. The winner projects will be exposed in occasion of the events promoted by CODE WAR in the period that goes between June and December 2020 at the former psychiatric hospital of Quarto, Genoa.

The call is addressed to artists and musicians that experiment with technologies and the plurality of forms and methods. The call focuses on the use of technologies in the artistic field. Particular attention is given to the combined use of methods and languages of art (music, literature, video art, design, figurative art, sculpture ecc.) and to interactivity, taking into account the possibilities of expression offered by new technologies based on computer science, web and new media. A follow-up of the project is welcome.

DEADLINE AND SELECTION REQUIREMENT

The open call ends on the 31st of March, 23:59 (GMT+1, Rome), unless otherwise noted.
[UPDATE: THE CALL WILL END ON THE 1ST OF MAY, 23:59 (GMT+1, Rome)]

The projects will be visioned and selected by a special commission elected by Ass. Culturale CDWR.

Projects that meet the following criteria will be positively assessed:

- quality and originality of the project;
- detailed exposure of the technical description;
- detailed and comprehensive documentation of the installation (images, videos, texts)
- practical feasibility;
- interactivity;
- follow-up possibilities;
- artistic curriculum

SELECTED PROJECTS

Selected projects will be contacted at the email provided in the application form. At first, a field trip at the former psychiatric hospital is scheduled. Once the terms of the collaboration are set, both parties sign a declaration of intents.

Subsequently, the proposal is calendarized in the planned activities. CODE WAR is available for logistical and preparation support.

APPLICATION PROCESS

Proposals must be sent at submission@associazionecdwr.org. Proposals without the signature of the referent are not take into account. The heading of the mail must contain "CDWR CALL SUBMISSION". The attachment is mandatory, and must contain:

- Application form (.pdf);
- Compressed folder with insights like texts, photos and/or videos about the proposal (max 12 MB);
- Portfolio of the artists.

In the application form, "Description of the proposal" must contain every important information about the proposal, referring at dimensions, technological supports, materials, electric and logistic requirements, etc.

The email in the application form represents your official communication channel.
